

REFERENCE SHEET

Industrial buildings

Building:
**RECONSTRUCTION OF THE „E“
AND „F“ HALLS AT
MANN+HUMMEL PRODUCTION
AREA
Nová Ves**

Construction period:
12/2017 - 06/2018

Client:
Mann+Hummel (CZ) v.o.s.

Contract value:
1,6 mil. EUR

Mann+Hummel produces air, oil, cabin and hydraulic filters not only for automotive industry. The construction of the two halls “E” and “F” and the extension of the outdoor escape staircase of the hall are related to the change in use of part of the building from the warehouse space to the production and assembly area.
